The St. Louis Tip Toppers are organized to promote friendship and fellowship among tall people and to sponsor activities of interest and benefit to all members, probationary members, prospective members, and life members; to cooperate and render assistance in anyway with the Affiliation of Tall Clubs International; to improve, maintain, and conduct club and recreational activities for the members; and to assist in any other matters pertaining to the welfare of the members. The meetings shall be held on the second Monday of each month at a place voted on by 2/3 majority of the members in good standing present at a regularly scheduled business meeting. Meetings shall start at 7:30 p.m. Only members in good standing, life members, probationary members, prospective members who have passed the physical and age requirements, and married associate members may attend meetings.

Article II - Membership

Section 1 - Physical Requirements

The minimum height requirements for membership shall be:

Women - 5 ft. 10 in.

Men - 6 ft. 2 in.

No maximum height limit shall be set. All measurements are to be made in stocking feet. Measurements are to be taken by a measuring committee of at least two (2) members consisting of at least one (1) man and one (1) woman to be appointed by the President for a term of one (1) year at the January business meeting. The measuring is to be accomplished in the presence of the assembled members of the Club at the first meeting attended by a prospective member.

Section 2 - Age Requirements

The minimum age requirement for membership is twenty-one (21) years of age.

Section 3 - Other Requirements

Paragraph A - Morality

The prospective member shall be of good moral character.

Paragraph B - Probationary Period

Prior to admission to membership in the Club, each prospective member shall be required to attend two (2) business meetings and two (2) Club activities, within a period of four (4) months beginning from the date of application for membership, with special exceptions to be taken up by the Board of Governors. Prospective members who are in the process of a divorce, must present to the President, within 30 days of date of application for membership, evidence of a court date for divorce proceedings. This probationary member cannot be voted into membership until his/her divorce is finalized. The Board of Governors, after investigation, can extend his/her

probationary period until the meeting following the divorce; not to exceed 8 months from the date of application. Dues will be prorated from the date of application. During the probationary period, the prospective member is entitled to all rights and privileges of the Club with the exception of the right to vote or hold office in the Club.

Paragraph C - Initiation

A probationary member shall be admitted to full membership at the second regularly scheduled business meeting that he/she attends providing that he/she has fulfilled the activity requirements as described in Paragraph B above; by a vote of those members in good standing present. If a probationary member is unable to meet the monthly meeting requirements due to extenuating circumstances he/she should submit a letter to the President or the Board of Governors stating the circumstances and requesting that the business meeting requirement be waived. The Board of Governors shall decide to accept or reject said request. If accepted, the probationary member shall be voted on at the next regularly scheduled business meeting. A minimum of 12% of the votes cast by dues-paying members in attendance at the business meeting must be negative in order to automatically deny membership to a probationary member. If there are negative votes totaling less than 12%, the issue will be taken before the Board of Governors for final decision as to the acceptance of the probationary member. If a probationary member is denied membership they must wait a minimum of one (1) year from their original application date to reapply for membership. Any dissenting vote given on the probationary member must be signed. If any dissenting votes question the height requirement of that probationary member, the President and one or more members of the Board of Governors will re-measure the probationary member. (If that probationary member does NOT meet our height requirements, their membership will not be accepted.) If the probationary member DOES meet our height requirements, the "no" votes questioning height are voided. A new member will be informed of his/her acceptance into the Club by letter within two (2) weeks from voting date from the Membership Chair and a copy sent to the Treasurer. A new member has thirty (30) days from letter of acceptance to pay his/her dues, or be dropped from the membership roster.

Miss Tall St. Louis Nominees

Retiring Miss Tall St. Louis

Section 1 - Introduction

A selection of a "Miss Tall St. Louis" will be based on the decision of Club members for that year for the purpose of having a Queen to represent our Club locally as well as at the TCI Convention for the "Miss Tall International®" Pageant. Section 2 - Eligibility

Verification of meeting the above stated height requirements will be made by the measuring of the queen candidates at the time of nomination. The measuring of these candidates will be by two or more of the Board of Governors. The Board's decision concerning height qualifications is final.

2. All nominees must be 21 years of age or older.

3. All nominees must be legally single (divorced, widowed or single -- NOT separated), and if crowned, shall remain single throughout her reign.
4. All nominees must have completed all St. Louis Tip Toppers' requirements for membership and be a dues-paying member by the September business meeting.

 - b.) After-five cocktail dress

 - d.) Club participation

The combination of the categories shall be determined by the current Tall Clubs International Pageant Guidelines as found in the TCI Bylaws Resolution I.

*The New Dimensions category is a category in which each contestant dresses to reflect her own personality, profession, or the city or state which she represents, accompanied by a 2 minute (maximum) verbal explanation given by the contestant.

3. Voting will be held at the annual Miss Tall St. Louis Pageant by all dues-paying and life members in good standing (one vote per member). A simple majority determines the winner.
4. In the event of a tie for the title of Miss Tall St. Louis, the tie will be announced along with the contestants' names that tied. These contestants will then be asked one additional informal question as referenced in Article VI, Section 3. After each contestant has answered her additional question, ballots will again be distributed to all dues-paying and life members in good standing for a re-vote involving only the contestants who tied. The contestant with the most votes will reign as the new Miss Tall St. Louis and the contestant with the second highest amount of votes will become the first runner-up, etc.
