The CLUB NEWSLETTERS sharing site announced at Convention in Vegas is now up and running at the Member Services Console!

Remember the good-old-days when all our TCI Tall Clubs faithfully mailed their newspapers to each other? Everyone enjoyed passing them around at parties to see what the other clubs were doing, and to sometimes plan their visits to other cities around activities that were happening in those cities' Tall Clubs? With more clubs converting to electronic newsletters, it hasn't been easy for us to keep up with each other. The new Club Newsletters section at the MSC is just what we needed to restore that old feeling of camaraderie.

Our Club Newsletters site is only available to those approved members of TCI affiliate clubs who have established their personal code and password at the MSC through our TCI website, <http://secure.tall.org/members> . The site will never be accessible for viewing by anyone who is not a verified member of TCI. This is so that clubs can upload full, member versions of their publications, rather than the abbreviated versions some are using for more public websites. It will be up to each club to upload their own newsletters. Each posting will be confirmed for authenticity before it is released for viewing, hopefully within 24 hours of the post.

For your convenience, this upload will also satisfy the requirement of mailing your newsletters to the TCI President and TCI Editor for the purpose of the BEST NEWSLETTER AWARD consideration.

So, now it's up to you. Editors post your newsletters (PDFs only, no larger than 5 megabytes). Everyone else log in at the MSC, click on Club Newsletters, and enjoy seeing what the rest of your TALL world is up to!

See you at the website,

Megan Hewitt Lukens
